

Law Enforcement Solutions

Ensure your facility is safe inside & out!

TURNKEY

Our experts can help safeguard the security of your facility from the moment of entry - with everything from guard booths & holding centers - to storage of your most important assets including weapons, uniforms, evidence, and records.

COMPACT STORAGE

Maximize the storage capacity of your existing space with our high-density systems. Eliminate extra aisles and empty, unused overhead spaces!

Solutions

- Guard Booths
- Temporary Holding Centers
- Weapons Storage
- Tactical Lockers
- Evidence Storage
- Uniform Lockers
- Records Storage

LOCKERS

Our wide locker selection provides secure storage for personal belongings, uniforms, weapons, equipment, evidence, electronic devices, and more.

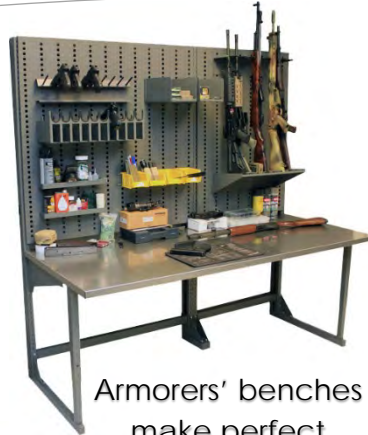

Secure Storage

WEAPON STORAGE

Products including but not limited to lockers, mobile high-density storage, armorers' benches, & racks.

Pistol Storage

Armorers' benches make perfect heavy duty, multifunctional workstations

Adjust weapons racks to meet your needs & adapt configurations easily

EVIDENCE STORAGE

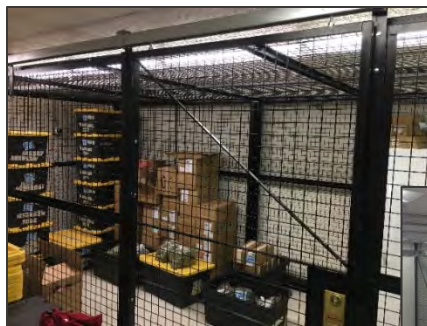

Secure storage of evidence ensures chain of custody. Wire mesh partitions function as storage for controlled substances & evidence in addition to temporary holding centers.

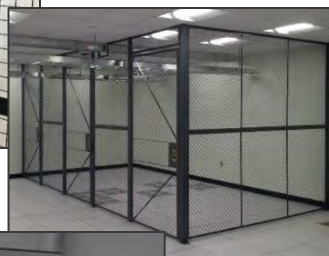

Go mobile to store more in your existing space

FLOOR TO CEILING

Our experts are able to help you through each step of the process: planning, budgeting, and creating layouts to installation, maintenance, and expansions. Let our experience guide you & make the most of your facility!

DEA-grade security cages

Modular Prefabricated Steel Jail Cells

Refrigerated Evidence Storage
